

**NGS Juniors/City registration is now open for the fall 2016 soccer season.
Our program is open to girls who will be in grades K – 9 in the 2016-2017 school year.**

[Register Now](#)

The [NGS Juniors Program](#) is for girls in grades K-2. The [NGS City Program](#) is for girls in grades 3-9. Both programs offer a recreation-focused soccer experience that emphasizes fun, health and exercise. Players of all skill levels are welcome to register. Please click on the links above to learn more about each grade level division.

New for fall 2016!

- Our Intramural Program has a new name: NGS City Program.
- City jerseys (grades 3-9) can be ordered with the player's name on the back.
- Kindergarten players will be placed on teams.
- City 7/8/9 will play some games against Brookline Town Soccer teams.
- We need coaches to volunteers for all divisions, including kindergarten.

Juniors/City Registration Deadline: Register by **August 1**. Every player registered by the deadline is guaranteed a spot on a team.

Late Registrations/Wait list: You may register after the August 1 deadline and be placed on a wait list. However, we do try to place everyone on a team. Players are taken off the wait list in order and notified by email if there is a spot available. Your credit card is only charged if your daughter is placed on a team. A \$15 fee applies to late registrations.

Friend Requests: Juniors and City players may make one friend request. Friend requests must be mutual and both players must be registered by August 1.

Fees: \$125 (for the fall 2016 season)

Sibling Discounts: NGS provides a \$20 discount per-child for additional children in the same family. Our online registration system will only automatically apply the sibling discount if you register two or more children in the same NGS program (e.g., both in travel, both in City 3-9, both in J2, etc.) at the same time. If your children play in different NGS programs, email registrar@newtongirlssoccer.org BEFORE you register so that we can provide a \$20 discount code. We cannot apply the discount after you have already registered and paid.

Scholarship Requests: It is our policy that no girl will be denied the opportunity to play due to financial reasons. You may send confidential scholarship requests to the NGS President, Mac Blythe, president@newtongirlssoccer.org.

Uniforms:

The uniform for all girls playing in the Juniors and City Programs is a reversible (orange on one side, white on the other), numbered NGS jersey. Jersey numbers are randomly assigned. Players may wear any color soccer shorts, socks, and shin guards; these items can be purchased on your own from any retailer. Starting fall 2016, City jerseys only will have the player's last name printed on the orange side.

Price:

- Juniors: \$32
- City: \$38

Sizes:

- Juniors: Youth Small – Youth XL
- City: Youth Small – Adult XL

Order your City jersey via the NGS Online Store:

- Juniors: <http://newtongirlssoccer.org/store/juniors-uniforms/>
- City: <http://newtongirlssoccer.org/store/city-uniforms/>

Your order will be shipped directly to you from our vendor and generally within 10-12 days. However, we recommend that you place your order at least three weeks before the season begins – by August 13 – to ensure that your player has a jersey for the first game.

Because these are custom orders, no returns or refunds are accepted. We suggest that you confirm the size before placing an order. Sample sizes are available to try on at Lapels Dry Cleaners located at 319 Walnut Street in Newtonville (617-527-6700).

You only need to order a jersey if your daughter doesn't have one or if her current jersey no longer fits.

If you have any questions about the ordering process please email the registrar at registrar@newtongirlssoccer.org. Any questions about the product or your order should be directed to num1source@aol.com.

Coaching: The NGS Juniors and City programs depend on parent coaches. Each season, we recruit approximately 200 volunteers so that we can accommodate all the girls who want to play. **Please consider volunteering to coach.** To express interest, sign up as a volunteer when you register your daughter(s). It is a rewarding experience and you'll receive a considerable amount of [support and instruction](#). No experience is necessary, especially in the younger grades. Volunteers will be contacted by a grade coordinator when we know what our coaching needs are.

Schedules: We cannot finalize our field assignments and fall schedules until the City grants our permits. This often doesn't happen until late August. However, the [current season's schedules](#) are posted on our website and they tend not to deviate much from year to year.

9th graders: As some of you may be aware, NGS has opened up registration to 9th graders who would like to continue to play City soccer. If you are considering registering for the NGS City 7/8/9 program this fall, the coaches at Newton South and Newton North have requested that you first contact your high school to learn about the Freshman Soccer Program. They have a no-cut policy for freshman, so it is a great opportunity to be involved in your school's athletics. NGS will also offer 9th grade soccer in the spring when Freshman Soccer is not in session.

Please email me at registrar@newtongirlssoccer.org with any questions. The [NGS Website](#) is also an incredibly useful resource (and it never sleeps).

Thank you,
Marysol Masse-Makimura
NGS Registrar
